FRANK BELL EQUALS SIX-FURLONG LOCAL RECORD MALE MALADIES

FRANK BELL WON IN FAST TIME.

Big Henry's Speedy Son Beat Vici Vance and Brulare at Six Furlongs in 1:13 Flat.

AT LONG ODDS.

Mr. Ronsiek's Black Gelding Again Won a Race With a Very Attractive Price About Him.

It was hot and humid at the Fair de race track yesterday. Looking at ces was hard work, and such a thing rking to get a bet on was beyond conon. The favorites were as unfortuate as they always are, and the clever es selected just as many winners as they usually do, which is not any.

Racing as a feature was confined to the ourth event at six furlongs, which Frank Bell won in 1:13, equaling the oft-equaled, but never excelled, track record for the distance. Bell was off running in front, set a diszy pace, had lots left in him when Vict Vance challenged him, and won rather cleverly. On the occasion of his last out he was beaten in 1:14 with 112 pounds. Yesterday he carred 108 pounds. Vici Vance gave him a race for part of it, and seemed to be winning when she let go in most cold-hearted fashion. She would not stand the pinch. Northern Spy, with lots of weight off on his last race, which was a good one, made a bold bid and got third money by a head from Brulare, who was off badly with a ton of lead on her. The good mare ran a plucky and game race, but she was slow to get going and had to go around the field. With an even break in luck she would have been up there with the winner. Hottemtot, who has been making bright finishes at the distance, found the pace too hot for him in the early part of it and newer could get up. Hi-Nock-Er was given a weak ride, but the time was a little strong for him, too.

Outside of this event there was nothing particularly worthy of notice. Rosy Cross soil in a soft spot at a good price in the first race, was quick to break, had all the best of the start and won easily from Jurgfrau, who is growing into a really nice-locking filly and a very improving one, too.

Agrin was a well-played favorite in the second event at 8 to 5, while Lacrimae was easy at 4 to 1. Though Aegin was taking off ten pounds from her last race where Lacrimae list did beat her a nose on the post, she never was in it. Lacrimae won easily, with Maggie Clopton second and Potheen third. Aegin ran a very dull race, indeed. Potheen was slow to break and lout ten lengths at the start, but he came like a wild horse at the finish under a very sloventy ride. He should be a ripping horse at six furlongs later on.

Menace made a walk-away of the third race. She had all kinds of useful early good, so out of a big and ugly bunch in a lifty and had it won before the rest got disentangled. It was a ridiculously easy win. John Bull ran a strong face in the rough lot behind and Beething did prettily for a first out.

Dominis, who won his malden race at 60 to 1 a few days ago, astonished the talent by landing the fifth event handly. He was easily secured at 80 to 1 yesterday. The terday he carred 108 pounds. Vici Vance

of speed at the end, but could not get up. Hin-finished very strong, and without effort. Cari-

black son of Himyar had all kinds of speed, got out of the big lot of struggling animals in two jumps, carried his speed wondrously well, and wound up going easily. He was very well ridden by Hart, who has had the mount on him in all his races. Judge Steadman, fat as a porpoise, ran a good race into second place. He is improving very much. Terra incognits, who astonished the natives with a great finish behind Charles D. one day when the latter was breaking all track records for a mile and seventy yards, ran a had third. He appeared in gross condition, and had to be driven all the way. He seems to be another Lee Bruno, one good race one dayand a bad one the next; first to-day and last to-morrow in the same field.

Morning Telegraph's Selections. REPUBLIC SPECIAL. New York, June Is.—The Morning Telegraph's elections for to-day's races at Sheepshead Bay

Doctor Bernays thinks Lee Bruno is the greatest horse at the Fair Grounds, and always wins a neat sum of money when the big son of Free Knight starts. "He is one of the finest looking horses I have ever seen," said Doctor Bernays yesterday. "He girths more than any horse at the track, and that means something.

Johnnie Huffman will take his string to Washington Park this week. Helen Print, his crack filly, has been alling for some time, but will go along. Mr. Huffman will be missed from the Fair Grounds. His horses are always fit and always trying. Washington Park always does kneck a hole in the St. Louis meeting. It does more to make Chicago the superior of St. Louis as a racing center than anything else in the world. The limited meeting at Washington Park does the commercial tracks of Harlem and Hawthorne a world of good by bringing cracks to Chicago that never would so

The fifth race at the Fair Grounds to-day should be a beauty, and the picking of the winner the work of a week. Dan Paxton, Varro and La Desirous should kill one another running in front; that is, unless Varro gets stuck in one of those pockets he is so fond of. Bilink ran as if a bit short last time when in with the same lot. Last time they met Rushfields, at 40 to 1, took three pounds from Chappaqua and ran over him in a mile in 1.18%. Of course, Chappaqua was about favorite that day, and he should be a good price to-day. Rushfields will be a good price to-day. Rushfields will scarcely run as good a race to-day as he did then. Hence, with Varro, La Desirous and Dan Paxton choking each other off in front, it looks as if Chappaqua should come from behind and win, especially if he is not favorite. Varro, well rated and ridden, can win.

Tobe Paine was given as very easy ride yesterday and finished fourth in the easies kind of fashion. That fellow will be worth a piking bet in similar company next time

Sam W. Adler denied yesterday that he had ever made the statements concerning the closing up of racing in Chicago which one Harry D. Collins accused him of making by affidavit in the injunction cases bearing on the closing of the Harlem track, now on trial. Mr. Adler submitted a counter affidavit yesterday, saying that he never made any such statements; that he knows no such man as Harry D. Collins; that such a name is not to be found in the St. Louis Directory; that he never made use of such language or made such statements as Collins attributes to him. Collins, it will be remembered, made an affidavit saying that he heard Mr. Adler say that he would spend \$0.000 to close up Chicago race tracks through Springfield, Ill., influences. Mr. Adler further directed his attorneys in Chicago to spare no pains to have Collins prosecuted for perjury. The Condon faction in Chicago is playing the sympathy dodge with the Chicago courts by trying to show that competing St. Louis interests are trying to stop racing there.

Dominis, who won the fifth race at long odds yesterday and heat two or three fair-horses, was bought by Mr. Ronsiek of Florissant, grocer, for 50 last apring. The former owner of the horse drove him in a buggy all last summer. When he got 50 for him he left town lest he should be arrested for selling gold bricks. Mr. Ronsiek first meant to hitch Dominis to his grocery wagon, but later on determined to put him in training. So far he has won two races in four starts. He won his first race at 60 to 1, his second at 30 to 1. He is by Himyar—Lady Agnes, and possesses many of the Himyar attributes. He is 'get black, near-looking and a wonder in a "warm-up." He should do better at six furiongs than at the distance he has been going.

. WAY TAPER DISQUALIFIED.

Result of a Nasty Mix-Up on the Sheepshead Track.

New York, June M.—Shaw, the jockey, had a narrow escape from serious injury at Sheepshead Bay to-day. He had the mount on Margraviate in the fourth, and, when straightened out in the stretch, he was bumped by Wax Taper and fell.

When the dust cleared Shawlay stretched out on the track. He was picked up unconscious, but recovered quickly and walked back to the stand. Carbucle, well ridden by Landry, won the race by a short head from Wax Taper, with All Gold third, only a head away. The stewards promptly disqualified Wax Taper, placing All Gold second and Latson third. Combs, who rode Wax Taper, was punished by being set down for six days.

The weather was clear and cool and the track fast.
